

# BIRD HUNTERS.

English

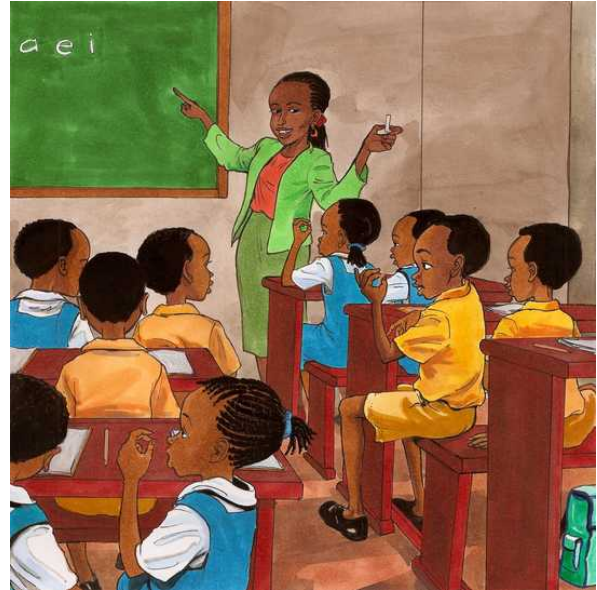

Once upon a time there were three little boys  
and one girl.

They all lived in one village called Nakwiga.

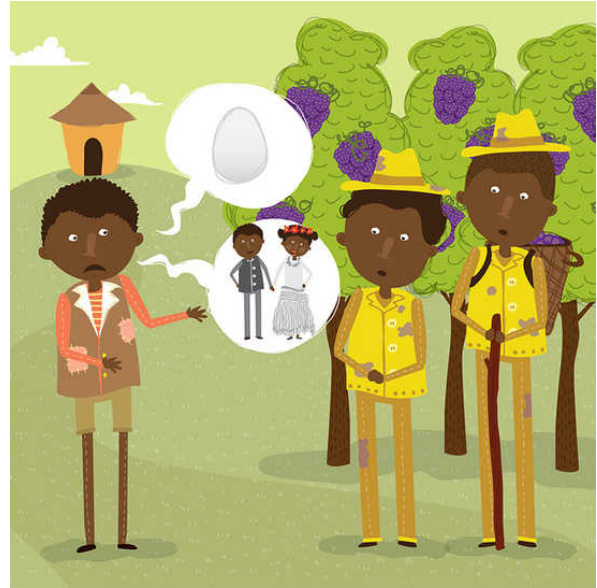

They were studying at Busolwe Glory of God primary school.

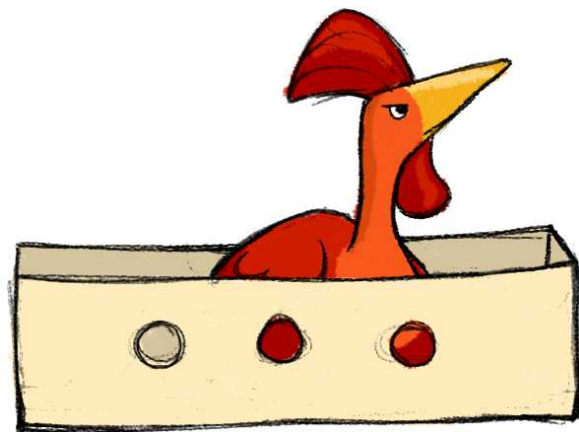

on their way to school, they used to hear birds singing.

One day, three boys and one girl decided to  
dodge school and went for hunting in the  
nearby forest .

The bird started singing like this,  
You call me bad; I am not bad x4

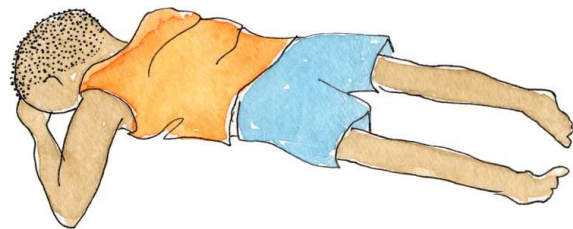

Am good but if you think am bad I will be bad  
at the end.  
Then the children caught that bird and went  
with it at home.

The following day they all died.  
Because its meat was poisonous.

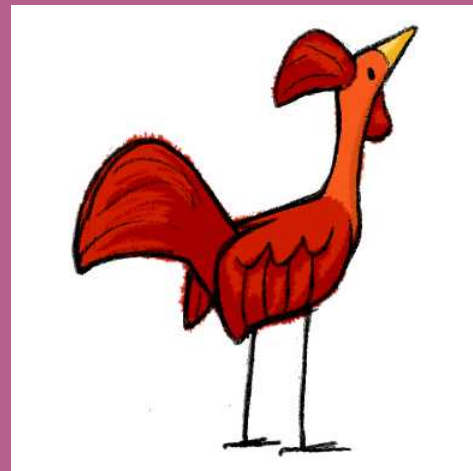

When they reached home they slaughtered  
and ate it.
