

Kumbana's Child

Ingrid Schechter
English

Once there was a young man called Kumbana.

When he was 25, he fell in love with a girl called Zangane.

They were together for 3 years, but he didn't have enough money to marry her.

Then one day she found she was pregnant, because they didn't use protection.

A little girl was born,
and they called her
Kheri.

But Kumbana was still studying, and Zangane had a job in a town far away, so they had to live apart.

After a while, Zangane found a new boyfriend. He came to live with her and the little girl.

Kumbana was heart-broken. He cried and cried because he was separated from his daughter.

Time went on, and Kumbana found a new girlfriend too. They lived together, but they did not have any children.

Now Kheri did not like her new father at all. She was very unhappy, and he used to beat her.

So when she was 12,
her mother decided to
send her back to live
with her real father.

Then Kumbana and Kheri were both happy again.
